THE PLACE... THE LIFE

A Message to the Students . . .

Your annual theme, The Place . . . The Life . . . is an interesting one. It's fun thumbing through the pages of this book and recalling the events that mark this book and recalling all the events that mark this place and year. Remember the Franklin football game, the Senior Color Day, the Snowball? It's been a busy place and a long year!

I hope that some of your recollections about Wilson High School include the ideas we shared this year. They are the real product of a school. If you can think back over this year and recognize growth in your attitudes and ideas, then you can pay Wilson High School the supreme compliment.

It's been a fun year! I wish you good luck in the future.

SPORTS

This year's Varsity Football team had the most successful season in its history. Our Mules advanced to the semi-finals in the City Play-offs.

One of the highlights of league play was the 33-7 victory over Franklin that returned our Victory Bell to us. Casey Woo returned the opening kick off 80 yards for a touchdown and the downfall of the Colts had been averted. Following the Franklin Game, the Mules went on to defeat Lincoln 22-0 and destroy Belmont 45-0 and Marshall 48-0.

Our Mighty Mules breezed through the first two rounds of the play-offs defeating Hollywood 34-6 and Dorsey 30-6. The biggest challenge was their next opponent, defending City Champs, Carson High in the semi-finals. Although much smaller than the Colts, the half time score was 7-0 Wilson. This left the crowd and the Carson players completely stunned by the great defensive effort of the Mules. With the start of the second half, many Wilsonites felt this was going to be the upset of the season and we would advance to the city finals. However, this was not to be the year. An inspired Carson team came out and out scored the Mules 14-7 as the season came to an end.

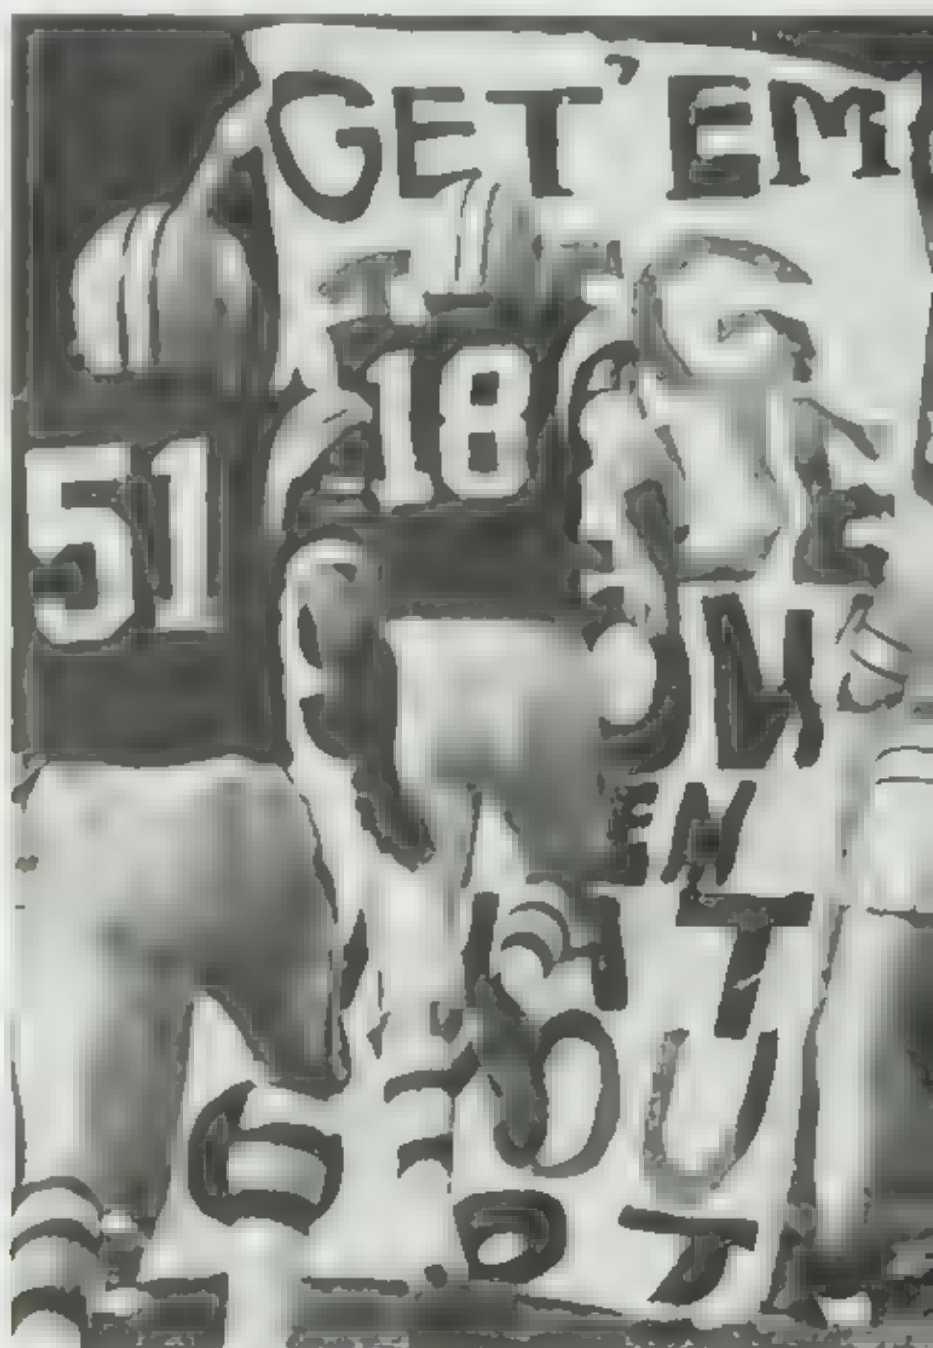

This season will long be remembered as a year in which the Mules overcame larger opponents to hand them an ugly taste of defeat. Our Mules have much to be proud of; eight all city selections, the city player of the year, the best defensive team in our school's history, and advancing to the semi-finals of the play-offs. Yes, this was a year to remember.

This year's offense was set up to be a great team. It was the most consistent team we have ever had. Kurokawa, 2nd Team All-City Section. Also, the offense wouldn't tell without the blocking led by Ricky Gamboa.

The offense scored 48, 45, 44, 34, 33, 30, 25, 22, and 20. They scored 200 points in total.

The Defensive Team of the Mules this season was the greatest ever here at Wilson, led by All City players: Wayne James, Wayne Brown, Paul Miller, Jr., Rivera and Albert Sanchez. The Mules gave up only 7 points during regular season play, including playoffs, league and practice games, the defense gave up but 88 points, a team's average of less than 5 points per game.

Our defense really wasn't recognized until the semi-final game against Carson, when at half time the Carson Colts were scoreless. Yes, the number 1 rated team in the city had been shut out by our Mules! The defense, although not getting the recognition the offense did, will long be remembered as the greatest ever, here at Wilson.

CROSS COUNTRY

Cross Country is constantly being confused with the Track Team. The reason: most people associate running with track. But all of this is wrong because Cross Country is an endurance race. Although time is an important factor of the race, you must also be able to run up and down hills, by pig pens, and around pepper trees - all in 9 to 12 minutes.

Since Jose Amaya graduated last year, Wilson has been without a coach all time, the team has been struggling. His spirit, The Varsity team was led by Rick Gamboa who brought the team through a very successful year. Other top runners were: Robert Quinones, Paul Barraza, Henry Flores, Leo Felix. The Varsity team placed 1st in the Northern League for the 8th CONSECUTIVE TIME!

The JV's were led by Henry Garcia and Frank Bahlerrama. They finished 2nd in the league.

The Cross Country was led by Jose Garcia. Valdivia, Alvaro, B. L. Agro, Mark Sandoval, R. G. Castelan. All in all Wilson had good times with a brilliant outlook for the future.

Varsity Basketball

This year's Varsity Basketball team can be described as heart breaking and frustrating. Mental mistakes plagued the team for the entire season. These mental lapses resulted in losses to Hollywood 68-64 (three overtimes), Lincoln 40-36, Franklin 76-75, Roosevelt 74-68, Marshall 75-74, and losing to league champs Belmont 66-60 in the last minute.

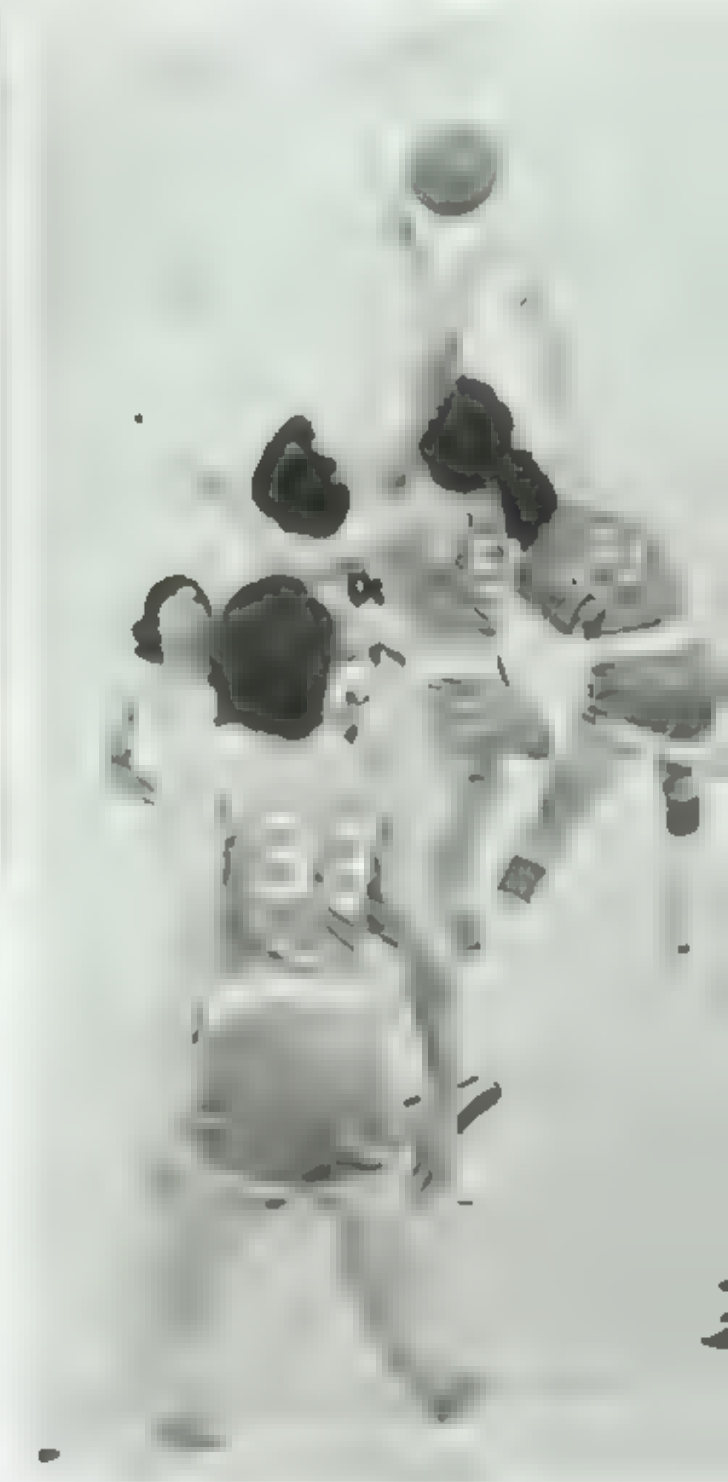

With the record 0-13 the Mules were faced with Marshall in the final game of the season and when the Mules fell behind 41-28 at the end of the first half it looked like certain defeat once again. But in the second half a different team emerged, an inspired team that was led by seniors Steve Aguilar, Phil Luna, A.J. Hargadon and Herbie Aguirre playing in the second half to win 69-64. Notable contributions in the second half that everyone played were Ricky Fischer, Bobby Greene, Pankaj Patel, and Russell Young. With the great fan support all basketball teams received this year, plus many members of the citizenship J.V. team moving up to Varsity, the future

JUNIOR VARSITY BASKETBALL

Coach Mario Cantu in just his second year of coaching led his team to the Northern League title. With many new players coming up from the JV's, a respectable senior was the mainstay of the team. But when the team began playing together, what was evident that it had a lot of potential. The JV's were its speed and quickness which enabled it to stay with the better and stronger opponents. There was really no superstar on this team as everyone contributed. Most notably were Marty Rivera, Danny Villaseca, all league selections. The team stayed together even when people in senior most notably Martin Amozegar known by his teammates as "Grampa". Through all this the J.V.'s went on to post a 7-3 record and share of the Northern League title with Lincoln.

BEE BASKETBALL

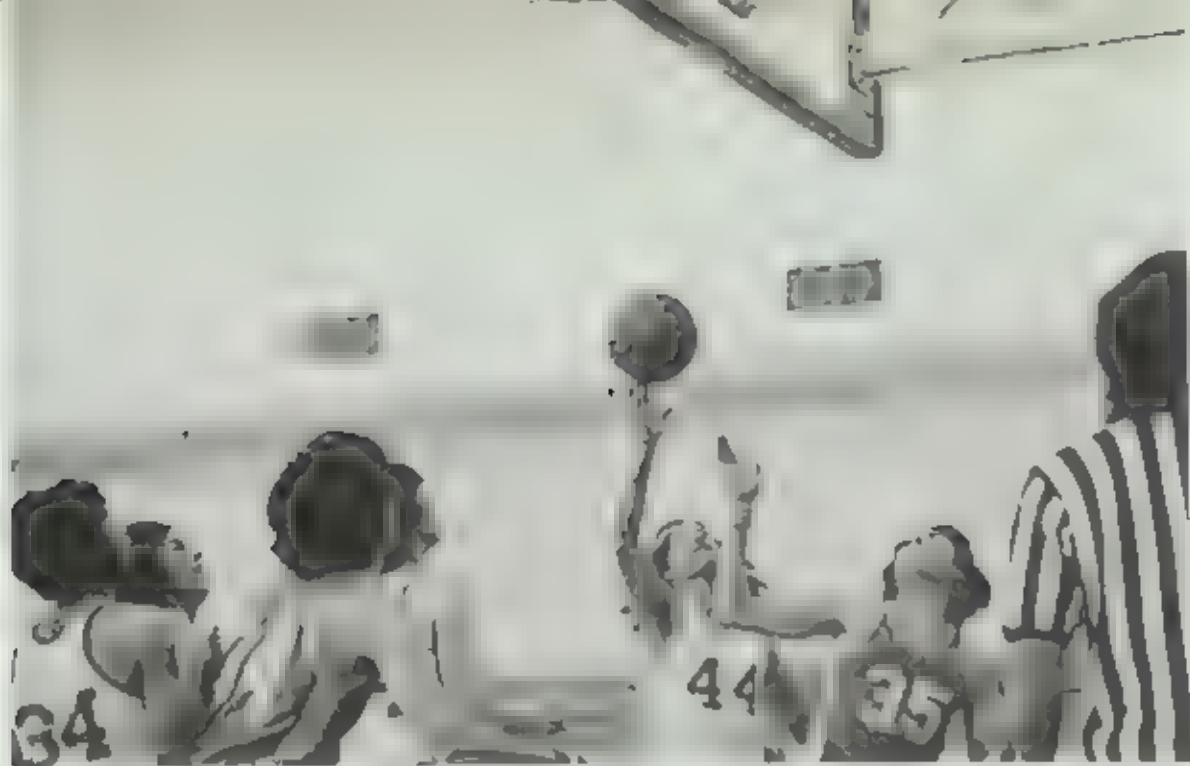

The Bees had a hard fought, yet exciting season. Their season record was 3-7. They were not the best team in the league, but they were good, but most of the time they couldn't put it all together. However, when they did it looked as though nobody could beat them. The last game of the season proved this when they beat Marshall, who was up for the league title. Helping the team were all league players: Mike Beltran, Danny Wrtaza, and Carlos C. Torres. Selected as the most valuable player was Mike Beltran.

CEE BASKETBALL

The Cees ended a very successful season by finishing in second place, with the league championship just eluding them. Their 7-3 record can be attributed to the all around teamwork which was typified by Victor Matsuda, Jimmy Chavira and Eric Navarrete, who were selected on the all league teams. In the most outstanding game of the season for the Cees they demolished Marshall 76-48. The most valuable player title was shared between Victor Matsuda and Jimmy Chavira.

The Varsity Track team did very well this season despite the fact that our track was not in any condition for league meets. This was due to the construction of more bleachers and installation of night lights which forced the team to work out on the infield grass. Despite this handicap, they went on to set top marks in league competition. They were lead by captains Robert Quinones, William Alvarez, and Casey Woo. Although the team lacked the depth of last year's squad, they still maintained its high hopes and spirit.

A new feature in the events was our own 440 "Rainbow Relay" so named because each member on the relay came from a different racial background. It was one of the fastest relay teams in our league history. Other outstanding individual performances were turned in by Terrence Ervin, Rick Gamboa, A Sanchez, Louie Valdez, and David Martinez.

The Junior Varsity had a tough act to follow since last year's team captured the Northern League Championship. Jim Morris, Gary Lee, and Glen Chin were the keys for first year coach, Dave Hara, who directed the J.V. to a successful season.

ACTIVITIES

HOMEcoming '72 was one of the highlights of this year's school year. The whole week preceding the announcement of this year's queen was filled with the excitement of pep rallies, the Sports Journal, helium balloon sale, the Homecoming Dance, and the construction of the Homecoming float, sponsored by Leadership.

Students vote for six finalists from a list of senior girls which submit applications to be on the Homecoming court. These six are then voted on by the Varsity Football team to determine the new queen.

During half time of the Belmont football game, President Susan Tufenkian made the announcement as Becky Rivas, last year's Homecoming Queen, crowned our new queen, Eva Quintana. Queen Eva's Court consisted of Gloria Gonzales, Christine Kane, Sabrina Mata, Renee Moreno, and Elsa Rivas.

And what do you want for Christmas, little girl?

"A Christmas Dream" was the theme of this year's SnoBall. This gala event was attended by 70 couples on a cold Saturday night in December. The tables were decorated with red and gold trimming. Thee Royal Checkmates blended in with the Christmas mood. The highlight of the night was the crowning of Debbie Bustamante as Queen. She was interviewed and selected by the businessmen of the community.

FASHION SHOW

On March 22nd and 23rd, Woodrow Wilson presented the 1973 Talent Show, called "Doing Your Own Thing." It was presented by both students and faculty and was well received by the student body. The Talent Show was an opportunity for students to display their ideas and talents in doing what they did best. The faculty members added to the success of the show with their participation and familiar faces. No doubt the success of the show was brought on by the cooperation of cast and crew. Some of the presentations were in the form of pantomimes, comedy sketches, dancing, and music.

FALL PLAY

'Up the Down Staircase' was a very delightful comedy presented in the fall by the Drama Class. Denise Dorado and Lupe Romero were double-casted as Miss Barrett, a rookie teacher. Susan Martinez played the part of the teacher from down the hall, who always gave Miss Barrett little helpful hints to steer her in the right direction. The principal, a stern character was portrayed by Henry Flores. Ray Sandoval as Paul Barringer, the young handsome teacher that made one shy girl fall madly in love with him, added a bit of tragedy to the play. The production was directed by Mrs. Phillips with the aid of Student Director, Sandy Escandon.

Following the assembly there was a luncheon for the faculty, sponsored by the club.

CLOSING THOUGHTS...

For the Juniors and Sophomores, this only represents a break for the summer. But to the Apostles, it means they must leave. We are only to be left with their memories and experiences of high school years. We were all relied upon for good things that were centered around those we loved. It was a time to learn with others and be shared with, to give and to take. For yesterday will never come tomorrow as we leave the place... the life.

There are places I'll remember
All my life though some have changed
Some forever, not for better
Some have gone and some remain

All these places have their moments
With lovers and friends
I still can recall
Some are dead and some are living
In My Life I've loved them all
